

COVID READY GUIDE – 2022 STANDARD BANK PRO-AM SERIES

1. USE OF HEALTHDOCS FOR COVID-19 TRACKING

All players participating in the 2022 Standard Bank Pro-Am Series events must abide by the published COVID 19 Regulations and are required to register on the HealthDocs App and to fill in all the information as required. You are also required to load your Vaccination Certificate to this app. 1 dose of the J&J and 2 doses of the Pfizer vaccine is accepted. If this cannot be provided, you are required to provide a negative antigen test taken no more than 24 hours prior to the event.

In addition to these regulations players must comply with the host venues Covid's Risk Management Plan as set out in the GolfRSA Risk Mitigation guidelines in accordance with Government Covid Regulations at all times.

All players play at their own risk and all golfers are directed to the GolfRSA Website (www.golfrsa.com) to ensure that they are fully aware of all the safety requirements and guidelines and players are requested to check <https://sacoronavirus.co.za/guidelines-and-relief/> for the latest updates.

Please note that Amateurs **may not** make use of a caddie unless they have been fully vaccinated. Only the following golf clubs in the series have or allow caddies – Glendower and Houghton. Should you wish to make use of a caddie, you would need to prebook your caddie no later than 1 week prior to the event.

Golf carts are permitted, but due to most golf clubs having limited fleets, you are required to book your cart with the golf club no later than 1 week prior to the event. Please note that Standard Bank have pre-booked and paid for their guests' carts so there is no need to prebook a cart if you have been invited by Standard Bank.
